

INSTRUCTIONS FOR USING ADA POLICY TEMPLATE

The ADA Policy Template (ADAPT) has been created by the Oklahoma State University Rural Transit Assistance Program (OSU RTAP), with guidance from FTA Office of Civil Rights for use by Oklahoma rural transit projects. It is recommended that each transit system electing to use the ADAPT should consult with its attorney for legal advice prior to use.

The ADAPT was developed to assist in the compliance of 49 CFR, Parts 37 and 38.

When using this ADAPT, insert your transit system name where you see “***TRANSIT SYSTEM
NAME.***”
